Nordic Autumn

Welcome to the 2026 Autumn Collection.

This menu is a tribute to the Nordic autumn transition.
A season when crisp winds sweep through forests ablaze in
gold, amber and deep crimson.

We are celebrating nature's final and most generous harvest,
capturing the vibrant essence of ripe berries and wild
mushrooms. The quiet earthy stillness beside darkening lakes.
As the days cool down and our pace naturally slows down, we
seek out warmth and comfort.

This season's offerings are crafted to capture that very glow, an
exploration of depth and the quiet beauty of change. Let every
sip ground you in the vibrant spirit of a Nordic Autumn.
